

This privacy statement describes the personal information that Healthscope may collect in order to make investor relations and corporate communication footage and webcasts ('communications materials') available to you.

Personal information that Healthscope may collect

We may collect the following personal information about you:

- data such as your name and email address which you may provide to us during the registration process; and
- data that we may obtain about your viewing of communications materials (eg when you viewed the material, the duration of your viewing).

How we use personal information

We may use the personal information you provide to us in order to:

- assist in administering our communications materials and providing those materials to you (and to assist you in the use of those materials); and
- develop, test and improve our communications materials.

Sharing personal information

We do not disclose the personal information that we collect about you, except:

- to the extent that we are legally required to do so including, without limitation, in the event of legal proceedings or government investigations; and
- to related entities within the Healthscope group of companies ('Healthscope Group').

Transfer of personal information to other countries

We may disclose personal information to members of the Healthscope group which are located overseas. Our privacy policy provides more information about this and can be viewed at:
