# Get your car the **SMART WAY**

Custom Fleet will show you how to...

## Save money

You can potentially save thousands of dollars with a Novated Lease from Custom Fleet. Everything is included, and you don't need a deposit.

- Highly competitive drive-away dealer discount
- No GST on the purchase price of your car and its running costs
- Reduce your taxable income to pay less PAYG tax
- Save on service, maintenance and fuel

## Save time and stress

We'll help with the dealer negotiations, number-crunching and paperwork to help you get the best deal.

- All running costs budgeted into one easy lease payment
- Insurance, maintenance and repairs with reputable providers
- 24/7 breakdown assistance and claims management included

## Stay in control

With payments automatically deducted from your salary, you can set and forget – but you'll always have access to the information you need.

- Intuitive online reporting helps with expenses and budget management
- No need to juggle extra bill payments or worry about unexpected maintenance costs
- Depending on the terms of your lease, just hand the car back at lease end, pending achieving the agreed residual value at lease end, trade it in, sell it, or keep it
